PT TRADECORP INDONESIA · INTERNAL

Sales CRM Mock-up v0.3

Clickable-app concept for the enquiry-to-BAST sales process. Dummy data only. Screens follow the agreed PRD (index numbers, KYC scoring, SLA ladder, drafter queue, PO checklist).

1. Login and role-based access
2. Seller – My Desk
3. Enquiry detail – KYC score, timeline, AI follow-up draft
4. Regional Manager – Region control
5. Hand-off Hub – Drafter, Estimator, Purchasing, Trucking, Depo, Branch, Sales Support
6. Workload dashboard – requests per team and enquiries today / month to date
7. Interactions – sales to each department, no-feedback alerts, live log per request
8. Quotation builder and PO handover checklist
9. Management – All regions (view only)
10. Architecture – front end and back end

Prepared for G. Gumilar · 11 Nov 2026 · Concept only, not final UI
